

NEW STAFF BOOT CAMP

Data Dashboard

Data Dashboard (DD) stores student assessment information. It's the one-stop-shop for getting a basic understanding of reading, writing, math and science achievement in your classes--which students might be struggling. You can access school, classroom and individual student achievement data. Here are a few of its views.

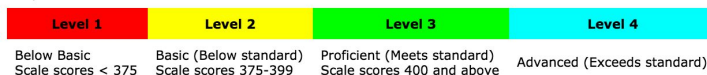

- The first view you see when you log in is achievement by period.

MSP Summary - All Periods

How have my students scored on the state assessments?

Percent of students scoring in each MSP level

Key

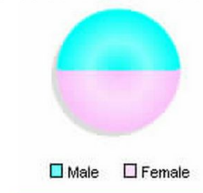

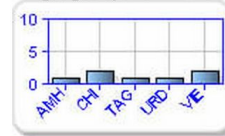

| Constance Kelly | Reading | Writing |
|--|---------|---------|
| Period 10 - SAS (17 Students) | | |
| SAS | | |
| Period 2 - SCI461 (32 Students) | | |
| HONORS CHEMISTRY | | |

- If you click a period in the left pane, under "Student Test Data", you will access links to more assessment data as well as information about each student, like if he/she qualifies for Special Education services.

Click on a student name to see his/her history of testing data:

| Name | Grade | Student ID | SPED | ELL | Exited ELL | Language |
|-----------------------------------|-------|------------|------|-----|------------|----------|
| Abraham, Samra | 11 | 0742786 | | | | |
| Aragon, Christian | 11 | 0972784 | | | | TAG |
| Armstrong, Grace | 11 | 0802213 | | | | |
| Cheng, Hsun | 11 | 0980042 | | | | CHI |
| Chi, Tina | 11 | 0742771 | | | | CHI |
| Davis, Avery | 11 | 0984617 | | | | |
| Delaney, Jacob | 10 | 0074806 | | | | |
